

Emery County School District

Policy: GCRD—Tutoring for Pay

Date Adopted: 17 August 1988
Current Review / Revision: 4 February 1998

Any teacher may enter into an agreement with parents for tutoring children for a fee. Tutoring for a fee may not take place within school facilities or during regular school hours. Teachers will not actively solicit pupils for tutoring.

The Board is not involved in setting tutoring fees. Fees should be mutually agreed upon by parent and teacher.
