## Policy: JICA—Student Dress Code

Date Adopted: 20 April 1988  
Current Review / Revision: 4 March 1998

Students are expected to adhere to standards of cleanliness and dress that are compatible with the requirement of a good school environment. Those standards generally acceptable to the community as appropriate in a formal school setting ordinarily will be the reference criteria.

A student's appearance or mode of dress or cleanliness will not be permitted to disrupt the educational process or constitute a threat to health or safety. When in the judgment of the Principal, a student's appearance or mode of dress disrupts the educational process, or constitutes a threat to health or safety, the student may be required to make modifications. In partial attainment of the foregoing, a student must use footwear and wear clothing that is not disruptive.
