

Emery County School District

Policy: JQB—School Fee Schedules

Date Adopted: 16 November 2008

Current Review / Revision: 1 March 2023

Fee Setting Process & Board Approval of Annual Fee Schedule

- Fee schedules for the District shall be adopted by the Board on or before April 1st of each year in a regularly scheduled public meeting of the Board. Fee schedules may not be adopted by any other group.
- Prior to adopting the annual fee schedule, the Board shall encourage public participation and provide an opportunity for public comment on the proposed fee schedule during two public meetings of the Board.
- The Board shall provide notice of the meetings to the public in accordance with the Utah Open and Public Meetings Act and to parents and students using the same form of communication regularly used by the District to communicate with parents.
- Minutes of the Board meeting during which the fee and fee policies are adopted, together with copies of the approved policy and fee schedule, shall be kept on file and made available upon request.
- The Board may adopt amended fee schedules after the April 1st date following the same approval process.

Fee Schedule Requirements

- The Board's adopted fee schedule (including spend plans) shall include:
 - A specific amount for each fee;
 - A clear delineation of each fee and the fee total for each activity, class, or program;
 - A per student annual maximum aggregate fee amount that schools may charge a student for participation in all school sponsored courses, programs, and activities for the year;
 - A maximum fee amount per student for each activity;
 - A spend plan for each fee charged that provides transparency by identifying the fee's funding uses. Each spend plan shall include a list of expected types of expenditures funded by the fee charged.
- The amount of revenue raised by a student through approved fundraising shall be included as part of the maximum fee amounts (per activity and aggregate) per student.
- Students and parents who do not qualify for fee waivers may not be required to pay an increased fee amount to make-up for or cover the costs of students and families who qualify for fee waivers.
- Schools may notify students and families that they may voluntarily pay an increased fee amount or provide a donation to assist in covering the costs of other students and families.
- Each fee shall be equal to or less than the expense incurred by the school to provide the activity or course.
- Additional fees may not be charged, or a particular fee increased, to supplant or subsidize another fee.

Elementary Schools

Fees are not charged to elementary school students except for programs held outside of regular school hours. All essential curricular items and school supplies will be provided for elementary school students.

Students may choose to purchase items such as school breakfast or lunch, student accident insurance, etc. as a convenience. Students may also choose to pay the current charge for discretionary items offered at elementary schools such as pencils, erasers, school apparel, school pictures, yearbooks, etc.
